P	<input type="text"/>	Upper Thigh	Measure around thigh at widest part
Q	<input type="text"/>	Calf	Measure around calf at widest part
R	<input type="text"/>	Body Length	Measure Base of the neck down to the floor

Use top of your belt line as your WAIST

DO NOT wear belt when measuring waist

When measuring sleeve length, hold arm in driving position, measure from should top to wrist, while taking the longest route you can from should top, under elbow, then to wrist.

Crotch is the spot where jeans are sewn together at the lowest point. Hold tape tight to body for all measurements from this spot.

GLOVE SIZE -

Racing Glove's Size Chart

1. Measure around your 4 Fingers at the widest part
2. Measure from the top of your middle finger to your wrist

SIZE	Around Fingers (CM)	Middle Finger to Wrist (CM)

XL	23.5	20
2XL	24	20.5

***Important Info**

Please return form with your logos and where you would like them placed.

All Logos MUST BE in High Resolution PDF's, Ai or Vector files.

If you would like a Logo created for your suit there will be an additional charge.

Once you approve your design and logo placement items will take 4-6 weeks to arrive.

If not paid in full we will require a non refundable deposit to start designing, this deposit will go towards order.
